

QUARTER & HALF HEIGHTS

Features

- Extensive range of sizes available including 30ft 'heavy duty' option
- Swinging and removable sides available, allowing for the safe and easy loading and unloading of equipment
- Multiple internal tie-down points for safe and secure transportation of cargo
- Drainage points to minimise water retention
- Anti slip surface floors
- Easy handling with forklift and crane
- Stackable for optimum storage

Description

These units are designed, manufactured, and tested in compliance with DNV 2.7-1 / EN 12079 offering safe, simple and effective transportation.

The 10ft quarter heights are ideal for the movement of hoses and smaller tools or equipment.

The wide range of half height containers are ideal for the transportation of larger hoses, or heavy goods or equipment or UXOs and have a host of uses across critical industries.

Options

- Rental and sale
- Optional tarpaulins, and cargo nets
- In-house capability for custom design and modifications available for purchase
